Quick Cross-Stitch Heart

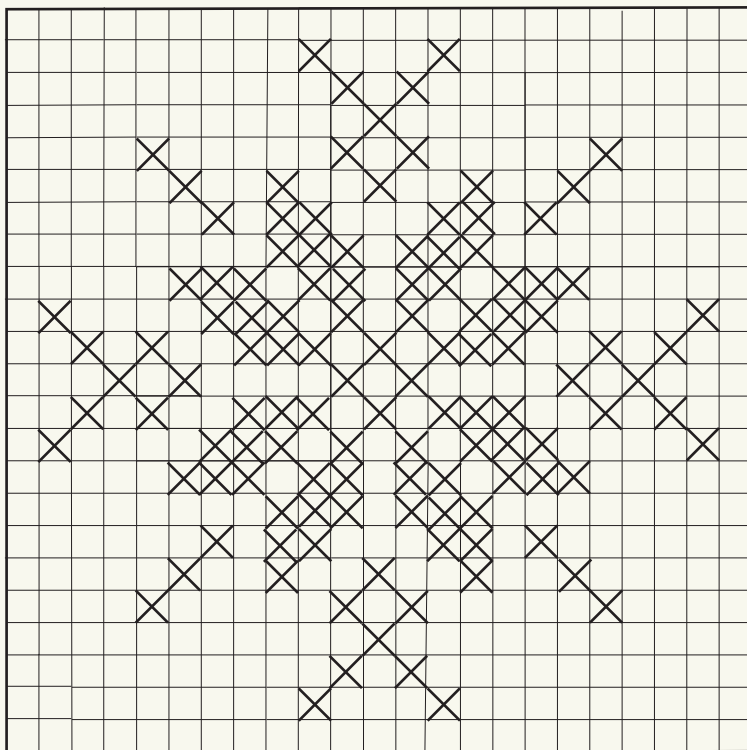

Materials

- ★ Scrap of red felt
- ★ White stranded cotton
- ★ Red stranded cotton
- ★ Crewel needle
- ★ Scrap of DMC Soluable Canvas(14 count)
- ★ 5mm Ribbon 6"
- ★ Batting offcuts for filling

Method

1. Cut two heart shapes from the template from the red felt.
2. Cut out a piece of soluable canvas at least 25 x 25 stitches.
3. Centre the canvas on the right side of one of the hearts. Tack in place.
4. Complete the cross-stitch with 2 strands of white cotton.
5. Dissolve away the canvas.
6. Dry. Press

kathrynkerr.com

Method

1. Fold the ribbon in half and pin in place.
2. Attach the ribbon to the wrong side of the heart with tiny stitches.
3. Wrong sides together, starting where the ribbon is attached, join the hearts with running stitch. Use about an 1/8" seam.
4. Stop 1" from the end of the seam.
5. Stuff the heart.
6. Finish the seam. Tie off and pull the knot into the stuffing. Enjoy!
